Case No. 4:24-cv-01562-JST

DECLARATION OF COMMANDER SCOTT BIGGS IN SUPPORT OF DEFENDANT CITY AND COUNTY OF SAN FRANCISCO'S OPPOSITION TO PLAINTIFFS' MOTION FOR PRELIMINARY INJUNCTION

Hearing Date: October 27, 2025
Time: 8:30 a.m.
Place: Courtroom 6, 2nd Floor
1301 Clay Street
Oakland, CA 94612

Trial Date: August 10, 2026

1 I, Commander Scott Biggs, declare:

2 1. I have personal knowledge of the matters stated herein, and if called and sworn as a
3 witness could and would competently testify thereto.

4 2. I am a Commander employed by the San Francisco Police Department (“SFPD”) in the
5 Field Operations Bureau, Mid-City Division. I have been employed by SFPD since July 2002. I
6 oversee the Tenderloin and Mission Districts, the Narcotics Unit, the Fugitive Recovery Unit, and
7 SFPD’s HSOC officers. In addition, I oversee the Drug Market Agency Coordination Center
8 (“DMACC”).

9 3. DMACC is a multi-agency effort that aims to enforce against drug markets in the
10 Tenderloin and South of Market Neighborhoods, in particular to address the fentanyl crisis. DMACC
11 was launched in May 2023 and continues today.

12 4. DMACC brings together agencies across the City, state and federal governments to
13 disrupt drug dealing, public drug use, and illegal sales of stolen goods. While DMACC is run by SFPD
14 and acts as a law enforcement tool, additional City agencies operate with DMACC to provide outreach
15 to connect people to treatment, shelter, and care. DMACC has brought together approximately 20
16 different agencies, including local, state and federal law enforcement agencies as well as other
17 agencies such as the San Francisco Fire Department (“SFPD”), Department of Public Works
18 (“DPW”), Department of Emergency Management (“DEM”), Department of Public Health (“DPH”),
19 and the Department of Homelessness and Supportive Housing (“HSH”). DEM provides emergency
20 dispatching service and coordinates the Neighborhood Street Teams (“NST”); DPW provides street
21 and sidewalk cleaning and also lead the illegal vending on streets; DPH assists to provide treatment,
22 and HSH assists to provide shelter.

23 5. On February 12, 2025, Mayor Daniel Lurie signed into law his Fentanyl State of
24 Emergency Ordinance that sought to make DMACC a permanent entity. DMACC now utilizes a Crisis
25 Stabilization Center, in partnership with DPH, that operates 24 hours a day, 7 days per week, where
26 SFPD officers work with the San Francisco Fire Department to refer people struggling on the streets
27 rather than to an emergency room or jail.

6. As part of DMACC operations, SFPD holds monthly meetings at the Tenderloin Police Station and invites community members to provide input regarding conditions and observations in their neighborhood. As a result of those meetings and the collaboration with the station Captain, DMACC and SFPD deploys resources to those areas.

7. Just a small example of DMACC's work and coordination includes an effort on September 3, 2025 in which SFPD made 60 arrests in coordination with a number of SFPD teams, including DMACC. These types of operations are expected to continue in the Tenderloin.

8. DMACC is heavily coordinated between multiple agencies. This is not a strictly law enforcement effort, but the strengths and expertise of City agencies are leveraged to address the multifaceted conditions in the Tenderloin.

I declare under penalty of perjury under the laws of the United States and the State of California that the foregoing is true and correct.

Executed on September 19, 2025, at San Francisco, California.
